Dear Mr. Shaffer:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that Boy Scouts of America membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the Boy Scouts of America seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America member should be granted or reinstated.

The procedure for review are attached.

Sincerely yours,

Floyd Tidwell
President
